Chairman's Message

Are YOU ready for your next MSHA inspection? Kim Redding of N-Compliance Safety Services has partnered with Matt DeAtley of DeAtley Law to provide three training sessions to help you be prepared and to answer questions you may have before an MSHA inspection. This is a timely training opportunity for all mine owner/operators and management personnel.

Kim is a former MSHA inspector turned safety and health consultant and is also a founding member of OIAA. Matt is a mine-safety attorney but also operated a rock-crusher for his family's business. The sessions will be held next week; see information later in this newsletter for details.

- December 4th – Roseburg
- December 5th – Woodburn
- December 6th – Bend

This training is sponsored by OIAA and is FREE for all attendees – take advantage of the opportunity!

Contact Lexi Hinson at 832-421-5423 to reserve a seat.

Be Safe,

Erick Staley

OIAA Sponsored Event – Plan to attend- MSHA Management Training

OIAA MSHA MANAGEMENT TRAINING

Information and Training on Critical MSHA Issues Affecting Oregon now.

MSHA inspections are a matter of when, not if. This seminar will answer all your questions before something happens at the mine. Armed the information presented at this training, each participant will be prepared for any inspection and capable of preventing problems before they escalate into issues with MSHA. With the combination of a former rock-crusher operator Attorney specializing in mine safety law and a former MSHA Inspector turned MSHA Consultant/Fatal Accident Investigator, this training will teach your management the methods and practices that will keep them out of any MSHA pitfall.

\$afepro, inc.

No surprise MSHA is still in the business of writing citations in 2018 and for the foreseeable future. Protecting your employees through education of federal laws that govern the mining industry is a key stone to building a first-class safety program. By understanding the laws and regulations that govern the mining industry companies can managing their compliance and safety programs more effectively.

\$afepro covers the 1977 Act as amended by 2006 mine act in detail along with 30 CFR and program policies which give guidance to how the laws and regulations are to be enforced. There will be a \$afepro law institute in Savannah Ga June of 2019 date to be set. \$afepro offers 3-day law seminars at your location at a date of your choosing. We also offer audits, the purpose is to identify, correct, implement, and improve the work environment per CFR 30 and its relative parts. This audit is to the law, not company procedures or protocols.

Yours in \$afe Production
